**Bunkers in Argentina:** As from July 30th vessels proceeding from Upriver ports to completion at Bahia Blanca are allowed, again, to lift bunkers at Zona Comun on the outbound passage from Upriver ports. Nevertheless, bunker requirements at Bahia Blanca are intense and forward booking is required since the single supplier there is Trafigura.

Please visit our website [www.antareshipping.com](http://www.antareshipping.com) to see or download the bunker, daily draft and line up reports, also find ports restrictions, descriptions and many more useful information. all reports since 2017 are available.
